ROAD CLOSURE CENTRAL AVENUE

City of Stirling have informed us that the westbound lane of Central Avenue will be closed to all traffic on the 27th-30th August inclusive. Parents will need to take an alternative route if they usually use Central Avenue. Motorists will be detoured via Hamer Pde, Walter Rd Wester and Homer Street back to Alexander Drive. Please allow enough time for drop off as congestion will occur around the school.

ROAD SAFETY AND BUS STUDENTS

Parents, please enforce the following road safety message. Students should be alerted to road safety issues when disembarking from public transport and crossing the road. Do not cross the road in front of the bus. This is particularly dangerous as on dual lane roads, vehicles are passing the bus and may not see the students emerge crossing from the front of the bus. The issue has been raised by community members who have seen near misses particularly on busy Alexander Road whilst travelling north.

LETTER TO PARENTS UPDATING EMAIL ADDRESSES AND PHONE NUMBERS.

A letter should be received soon by all households pertaining to the updating of details including email addresses and mobile phone numbers. The greater majority of parents now have email addresses however as we intend to **email notices to parents more often in the future**, it is important that we have current email addresses. Please read and respond to the letter as requested as the ultimate aim is to provide parents with more efficient information services.

Michael Camilleri, Associate Principal
